

The Hope of Spring

Creator God,
thank you for Spring and the hope of
warmer, longer, brighter days.

Thank you for the coming of growth
and life and birth.

Thank you that things are awaking in the world.
This is what our calendar says,
and we do see some signs that it is real.

But we also still struggle with the
residual layover of winter.

Now we ask that you bring into reality all that
belongs in this season.

Your word says that we will have provision, and hope,
and joy, and health and loving relationships here and
now in this life.

We ask that what belongs in this season would
become actual in our practical lives.

We hope in you and in your promises.

We hope in your gift of Spring.
